Open Sesame

Gay Men's Health's new workshop *Getting on ... with Oral Sex*, will be held on Saturday 21st April, 2.00 to 5.00pm.

This follows on from *Gay Men's Health's* successful and well-attended workshops *Getting on ... with Anal Sex*, held last year.

Gagging for It

"*Getting on ... with Oral Sex* will focus on getting tips on techniques and posing practical questions," said *Gay Men's Health* Manager Gary Spence.

"It was also be about having fun."

Deep Impact

The workshop is open to men who are gay, bisexual or have sex with men.

On the Tip of Your Tongue

While *Getting on ... with Oral Sex*, is about sex, actual sex right-before-your-very-eyes will not be part of the workshop.

Safe 'n' Slurpy

Getting on ... with Oral Sex will include information about Sexually Transmitted Infections (STIs), HIV, and safe sex.
