Men's Night In

socialise ... make friends ... meet men ... enjoy ... talk ... fun ... conversation ... meet 'n' greet ... new connections ... listen ... new beginnings ... communicate ... food ... get out of the house ... celebrate ... community ... laughter ... friendship ... drink ... likes

These are all words used by men who've attended Gay Men's Health's *Men's Night In*.

And Gay Men's Health continues to provide a welcoming space for all gay and same sex attracted men on the first Thursday evening of the month.

With a new starting time - 6.00pm - and now *Men's Night In*, the Darling House Library will be open, pizzas will be served and socialising will be happening!

Men's Night In is a good way to meet new people and catch up with friends.

"It's always good to get out of the house," says one man who regularly attends *Men's Night In*.

"And it's not a pub or a club, so you can actually talk to other men and hear what they're saying."

Men's Night In is on every month – always the first Thursday evening – including the colder months when other opportunities for get-togethers have closed for the winter.

For more info about *Men's Night In* call the Man2Man InfoLine on 8334 1617.

Country callers should call 1800 671 582.
